

SUMMER HOLIDAY FOR DISABLED ORPHANS

GOAL

HELP DISABLED CHILDREN TO SEE THEIR HOME COUNTRY

This summer we would like to take 5 orphan children with various disabilities on an adventure. This might be the only chance they have to travel and see their own country. The trip aims to be fun but also to educate the children about Mongolia, their culture and their heritage.

BE A PART OF THE ADVENTURE AND DONATE!

Donations will contribute to transport, accommodation, food, educational activities and carers expenses.
